

Services Summary

The Elgin range of wealth management services delivers a multi-solution approach designed to cater for most investors' needs. Each is designed with a certain profile in mind; from savings accounts & managed portfolios to bespoke & advisory for the established investor. Management is conducted according to a pre-agreed risk profile when it comes to making investment decisions or suggestions.

An Elgin Investor Questionnaire should be completed for every case to establish the investor's risk profile prior to investing.

Capital Builder

Regular savings account providing access to risk-rated ETF portfolios managed by specialist managers within pre-determined parameters set by the Elgin Investment Committee.

- Available via Interactive Brokers only
- Minimum initial investment of 5,000 \$/€/£ with regular contributions from 500 \$/€/£ per month
- Strategies are managed and rebalanced quarterly to maintain the asset allocations
- New monies received will be allocated quarterly
